Your data will be collected through the respective forms that we send you by email or that you download yourself from our corresponding links on our website <https://www.tierfreunde-lesbos.de> and send to us by email or letter with your data filled in and signed.

Your data will be used exclusively for the purpose of the selected form. It will not be merged with data from any other source.

If it is necessary for the processing of the work according to the attached form, we will pass on your data exclusively to the person(s) entrusted with the further processing and completion.

For example: We cannot carry out preliminary checks for placements nationwide ourselves, therefore preliminary checks are occasionally carried out by animal welfare colleagues from other associations. They then also sign a corresponding data protection form regarding your data.

You have the right to receive information about the recipients and purpose of your stored personal data free of charge at any time. You also have the right to demand the correction, blocking or deletion of this data.

For some data there is a legally prescribed retention period. Here the legal regulation shall take precedence. We will then delete your data immediately after the deadline has expired.

You can contact us at any time about this and other questions on the subject of data protection.

Tierfreunde Lesbos e.V. takes the protection of your personal data very seriously. We treat your personal data confidentially and in accordance with the legal data protection regulations - DSGVO - as well as this privacy policy. Many data processing operations are only possible with your express consent. You can revoke consent you have already given at any time. For this purpose, an informal communication by e-mail to us is sufficient. The legality of the data processing carried out until the revocation remains unaffected by the revocation. Deletion due to revocation is always possible within the framework of the statutory retention periods.

In the event of violations of data protection law, the person concerned has the right to lodge a complaint with the competent supervisory authority. The competent supervisory authority for data protection issues is the state data protection commissioner of the federal state in which our company is based. A list of the data protection officers and their contact details can be found in the following link: <https://www.lidi.nrw.de/>

You have the right to have data that we process automatically on the basis of your consent or in performance of a contract handed over to you or to a third party designated by you in a common, machine-readable format.

By completing, signing and submitting the attached form selected by you for the relevant process, as well as your further signature on this data protection form, you confirm that you agree to all points and give your consent to the use of your data in the manner described.
